

RICHSTONE FAMILY CENTER

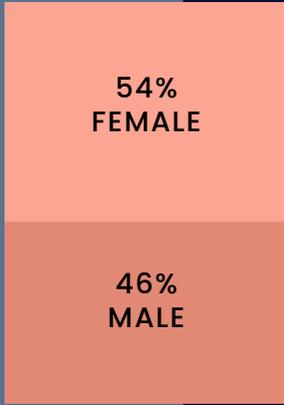

PROGRAM REPORT

2021-2022

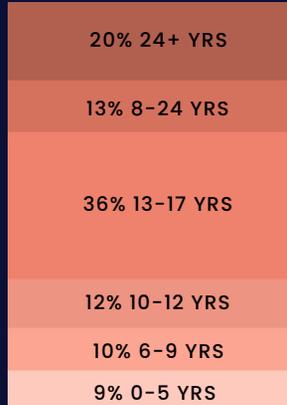

The Richstone Family Center is dedicated to treating and preventing child abuse and trauma; strengthening and educating families; and preventing violence in families, schools and communities.

PROGRAMS & SERVICES

Centinela Valley Union High School District offers crisis intervention, suicide-related assessments, ongoing counseling and support groups, parent presentations and staff trainings at four high schools in the Centinela Valley Union High School District. *(204 students served)*

Elevate Youth provides wraparound services in three core areas: mental health, educational services, and youth-centered programs. Through a partnership with DaVinci RISE High School, co-located on Richstone's campus, the program empowers youth to take ownership of the quality and direction of their lives. *(623 individuals served)*

The Everychild Foundation Healing Center provides comprehensive trauma focused treatment, a myriad of support and educational groups, and wellness programs to both address the needs of children and families in crisis and help them build long-term resilience. *(2,279 individuals served)*

Kids Club After-School Program is an on site year-round program providing homework help, tutoring, social skills development, character-building and enrichment activities in a safe and nurturing environment. *(50 children served)*

Lennox Mathematics, Science & Technology Academy is a program through which therapeutic services are provided on campus for the students at Lennox Academy. *(143 students served)*

Parents as Teachers provides voluntary, bi-weekly home visitation services to high-risk families with children ages 0-5 in the South Bay, West LA, Watts, and West Athens communities. Participating families engage in case management services, resource and referral connections, parenting education, child development screenings and assessments. *(106 children and parents served)*

Providence Little Company of Mary is a partnership program through which Richstone provides individual, family and group therapy at a local community health clinic to promote both physical and mental health in our community. *(117 individuals served)*

RICHSTONE FAMILY CENTER AFFAIR OF THE HEART

BLACK & WHITE

Gala
04.23.22

On April 23, the Richstone 'Affair of the Heart' Black & White Gala made a comeback at the South Bay Porsche. The event brought together highly esteemed South Bay guests to honor Barbara Van Remmen and Supervisor Holly J. Mitchell for their outstanding dedication to the community. This year's Legend Award was awarded to Lindsey Stammerjohn as an important philanthropic leader for Richstone growth.

We would like to thank all of our event sponsors, volunteers, staff, and guests for making this event a memorable fundraiser. Your support helps expand our ever growing offerings to children and families in desperate need of trauma-focused treatment services.

Richstone Family Center's **ENDLESS SUMMER** *Beach Party*

Richstone brought the Caribbean to King Harbor! With delicious bites from local South Bay restaurants and upbeat music from Citrus College, guests feasted & danced the night away. Big congratulations to this year's "Lifesaver" award winners – King Harbor Association, Steve Roberts, and Allison Tanaka!

Richstone's Endless Summer Beach Party was a success and truly a night to remember!

34TH ANNUAL RICHSTONE FAMILY CENTER / DON KLOSTERMAN MEMORIAL **Golf Classic** Monday, September 19, 2022

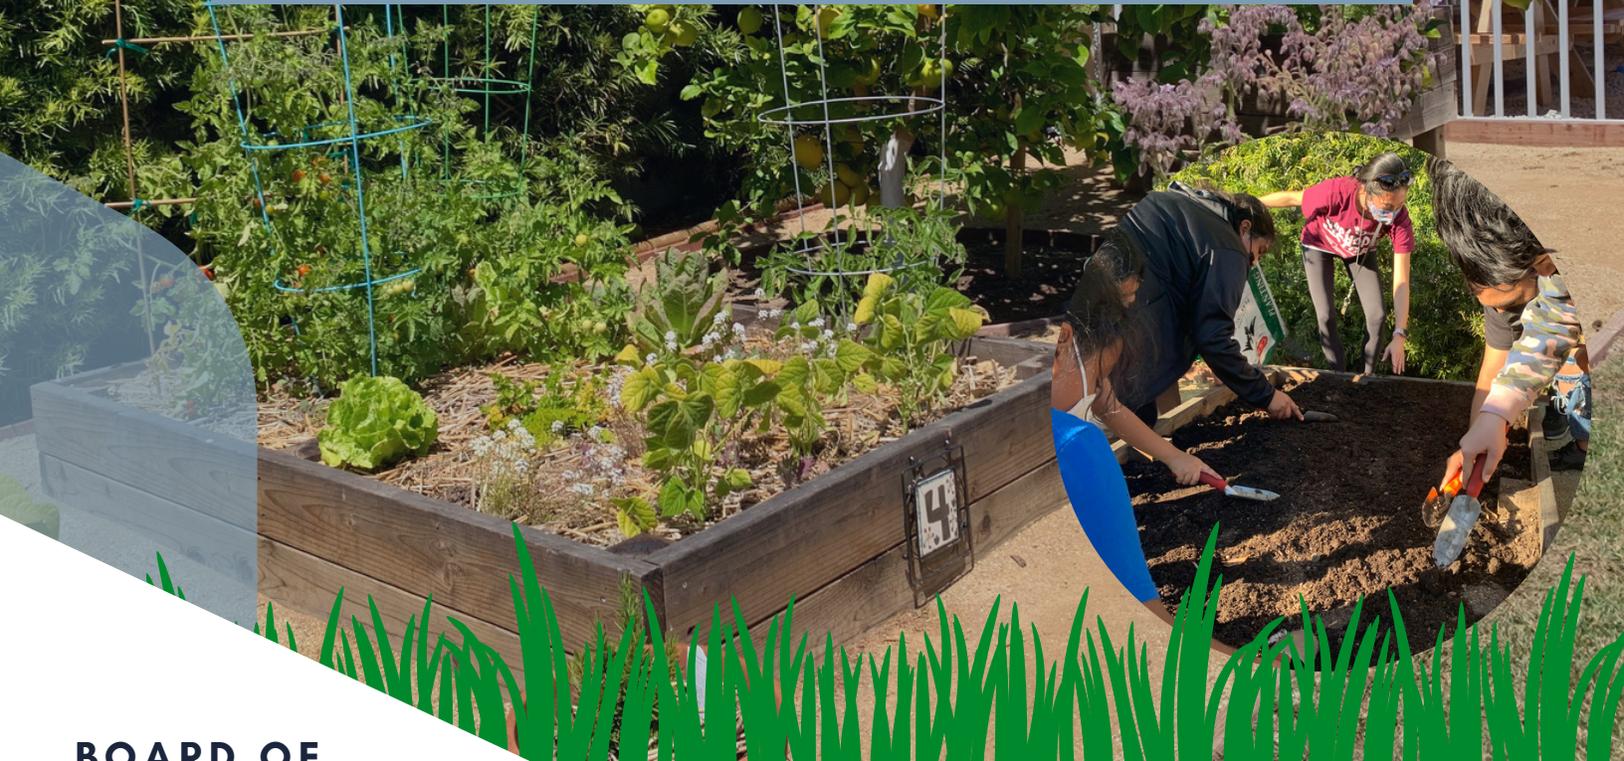

It was a beautiful Monday afternoon at the Palos Verdes Golf Club. The 34th Annual Richstone/Don Klosterman Memorial Golf Classic Tournament was another success! We are truly grateful to all the golfers and sponsors who came together from all across the country to raise critical funds that help keep Richstone's programs flourishing.

COMMUNITY GARDEN BLOOMS!

On February 09, 2022, Richstone started a community garden project. Partnering with our local families and the staff/students of DaVinci High School, we learned skills to sustainably grow our own fruits, vegetables, and herbs. Through our garden project, we are making healthy food more accessible for our community. Thank you Master Gardener, Kris Lauritson, for guiding us every step of the way!
